

Dempo Charities Trust's

DHEMPE COLLEGE OF ARTS & SCIENCE

SKILL DEVELOPMENT CELL

Academic year 2017- 2018

The College is affiliated to Goa University and hence, adheres to the curriculum prescribed by the University for its BA and BSc programme. However, through the institutional feedback mechanism as well as its mentoring programme, it has been gauged that students require focused training in key areas of academic development. In view of this, the College has introduced Skill Development Courses that seek to bridge the gaps between industry-requirements and existing curriculum transactions as well as introduce new opportunities of learning for students.
