DHEMPE COLLEGE OF ARTS & SCIENCE

SKILL DEVELOPMENT CELL

Academic Year 2019- 2020

As an institution affiliated to Goa University, the College adheres to the curriculum prescribed by the University in its BA, BSc and MSc programmes. However, as part of its mentoring programme, robust feedback mechanism on curriculum and industry interactions, the institution has gauged the need to implement Skill-development courses to bridge essential gaps in learner advancement. Since language proficiency was identified as one of the key skill-sets, this year, a Digital Language Laboratory and Skill Development Centre was established with software solutions for enhanced communication; a course in formal correspondence for MSc students was conducted using laboratory facilities to improve the communication skills of students. Apart from this, courses in focal areas were also conducted. These initiatives form one of the best practices of the institution.

List of Add on /Certificate programs offered during the academic year 2019- 2020

Sr. No	Name of Add on /Certificate programs offered
1	GIMP
2	PHP MYSQL
