Miramar, Panaji-Goa

Certificate course on *Orchid, Anthurium* cultivation, flower arrangement, creative, kitchen and vertical gardening

**Course Objective:**

- 1) *Orchid, Anthurium* cultivation.
- 2) Flower arrangement.
- 3) Vertical gardening and creative gardening
- 4) Kitchen gardening.

**Course Contents:**

Orchids and Anthurium are beautiful cut flowers cultivated mostly in tropical humid climate and hence it has good scope for cultivation in Goa on commercial level. Flower arrangement is an organization of design and colour towards creating an ambience using flowers, foliage and other floral accessories. Vertical gardening is garden that grows upward (vertically) using a trellis or other support system, rather than on the ground (horizontally). Creative gardening is the practice of growing and cultivating plants as part of horticulture in innovative way. Kitchen garden is cultivating vegetables, herbs and fruits in backyards

**Course outcome:**

This certificate course offers hands-on practical training programs on different techniques in gardening. This will give the impetus for the students to get a better job opportunity, set up their own farm and particular in segment of interest to develop their career.
