

Dempo Charities Trust's  
DHEMPE COLLEGE OF ARTS & SCIENCE  
SKILL DEVELOPMENT CELL

Academic Year 2020-2021

As the College is affiliated with Goa University, it follows the curriculum prescribed by it in its BA, BSc and MSc programmes. Nevertheless, the need for Skill Development Courses in certain nodal areas have been observed through the mentoring programme as well as the feedback mechanism of the college. Hence, over the years several initiatives have been taken by the college to promote skill development courses that would train students in various fields. However, due to the pandemic, courses that provide hands-on training could not be continued through the online mode. Yet, efforts were made to reform some courses in essential areas such as Academic writing and Research Methodology so that students could benefit from it. Moreover, new ways of conducting courses were adopted such as self-paced courses.
