

DCT'S
DHEMPE COLLEGE OF ARTS AND SCIENCE
MIRAMAR PANAJI GOA
2021-2022

Organised by Department of Psychology, Counselling Cell and Placement Cell

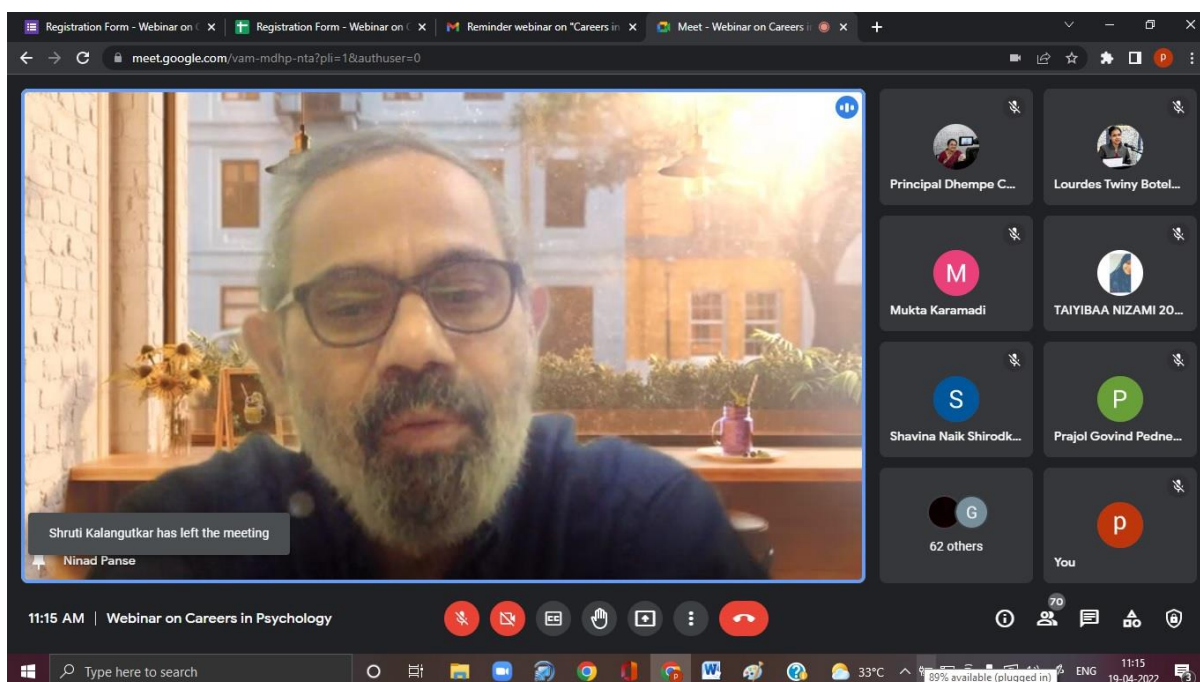

A State Level Webinar on 'Careers in Psychology' was organized by the Department of Psychology, Counselling, and Placement Cell of Dhempe College of Arts and Science, Miramar – Goa in association with Gomantak's Young Inspirators Network, Goa on 19th April 2022 at 11 am to 12 pm.

The Aim of the Webinar was to provide information about various career opportunities open in the field of Psychology. The resource person for the Webinar was Mr. Ninad Panse, Chief Executive Officer, Skilling and Education, AP Globale a Sakal media group company. 80 individuals attended the Webinar via Google meet and 64 people viewed it on the YouTube.

The resource person spoke about the rapid increase in the scope of Psychology in India and across the world and also shared his experience of working in United States and gave real life examples explaining the role of psychologists. He said that there are several different careers that make up the field of psychology and further spoke about the different fields of psychology i.e. clinical, counselling, cognitive, Industrial-organizational and sports etc. He highlighted creative thinking as a key factor for the psychologist and mainly focussed on the role played by psychologist in the Industrial-organizational setup.

The webinar was co-ordinated by Counsellor Mrs Lourdes T. Botelho under the leadership of Dr. Joslyn Henriques Assistant Professor of the Department of Psychology with the guidance of College Principal Dr. Vrinda Borker, Dr. Mukta Karamadi Head of the Department of Psychology and Dr. Purnima Ghadi Convener of Placement Cell.
