ABOUT DCT'S DHEMPE COLLEGE OF ARTS & SCIENCE, PANAJI GOA

DCT's Dhempe College of Arts and Science (affiliated to Goa University) is the premier institution of higher learning in the state of Goa. Its establishment in 1962, in the newly liberated state of Goa, stands out as evidence to the Dempo family's vision of promoting freedom through education. Their efforts along with those of other like-minded philanthropists at the time have engendered a rich legacy; one that every 'Dhempeite' proudly upholds. Dhempe College has been the alma mater to pioneers in the fields of liberal arts, science and technology in Goa, India and overseas. The College has been re-accredited by the National Accreditation and Assessment Council (NAAC) in the year 2022 with 'A' Grade. In 2016, the College was recognized as a "College with Potential for Excellence". The College is placed in the 151-200 band at all India level by National Institutional Ranking Framework (NIRF 2022). The College has also obtained 91st rank among the Arts Colleges and 102nd rank among the Science Colleges of India in India Today rankings, 2023.
