DEPARTMENT OF ZOOLOGY**

Report of Field study carried out for TY project on 08/12/2023, under DBT Star College scheme

As a part of TY.B.Sc. project, Students of the Department of Zoology visited the three study sites at Zuari estuary for sample collection. Total 12 students and 03 faculties visited the sites i.e., Siridao, Cortalim and St. Jacinto on 08/12/2023. Students under the guidance of Dr. K.K.Therisa, Mrs. Suchana P. Amonkar conducted experiments on physicochemical parameters of water from the study sites using Water and Soil Analysis Kit.
